MY PRIDE MY INDIA

I am pride my India
Where we live together
Celebrated different festival
Follow as culture

Where we celebrated full of light
Makes our right
Day like bright

Where colours spread
On body but colours souls
Forgetting difference wholes

Where we delicated the family
People come home happily
I am pride my India

Where there are verities
in faste, caste, colours
In weather wonderful and culture

I am Pride My India

Watch Your Words

A careless word may kindle
strife,

A cruel word may wreck a
life,

A bitter word may instill
hate,

A brutal word may smite
and kill

A gracious word may
Smooth the way,

A joyous word may light
the day,

A timely word may lessen
stress,

A loving word may heal
and bless

Mother

Hello mother nature, a beautiful flower,
the clouds from above us, the rain as it showers,
The ground far beneath it, it prosper's

Sun in the sky, bring light, please shine.
Pray, Mother nature, not god, as you see.
The lord, not our savior, rather our selves are to be,
The only things ever to hold us in peace.

Pray Mother nature, sing me to sleep.
Do not disturb the peaceful sleep.
The earth so still, be earth our feet.

Skipping and running, barefoot through the tree,
Everything, everything, everything we'il see.
Spinning and Spinning and spinning around
Falling and balling we ball to the ground.

EASY Us DIFFICULT

Easy is to judge the mistakes of others,
Difficult is to recognize our own mistakes.

Easy is to talk without thinking,
Difficult is to restrain the tongue.

Easy is to forgive other,
Difficult is to follow them.

Easy is to admire the full moon
Difficult os to see other sides.

Easy is to enjoy life everyday
Difficult is to give its real value

Easy is to promise something to someone
Difficult is to fulfill it.

Easy is to think bad of others
Difficult is to give then benefit of doubt.

Easy is to receive,
Difficult is to give,

Easy is to keep the friendship with words
Difficult is to keep that with wods

Easy is to pray every night
Difficult is to find God in small.

Easy is to show mictory
Difficult is to assume defeat with cliynity

Easy is to hert some one who lerces us,
Difficult is to heal the wound

Easy is to think about improving,
Difficult is to stop thinking and put into action

Easy is to get a pplace in some ones address books
Difficult is to get a places in one's heart.

THANKING A TEACHER

Teacher you gave me light,
Which made my future bright.
I can show my gratitude,
Being like you with a great attitude,
Teacher you done lot of favour,
Which I am going to savour,
Teaching is your talent,
So, we became salient.
You thought all about my health
Which is key to my wealth.....
Which is key to my wealth.....
Thank you for being approachable
Where I was not being able.
You deserve an award,
For removing my cowardice
I am very glad,
To be your student,
Teacher! You made my future bright and bright.

Don't Quit

(i)

When things go wrong as they sometimes,
When the road you're trudging seems all uphill,

When the funds are low the debts are high,
And you want to smile but you have to sigh,

When case is pressing down a bit,
Rest, if you must, but don't you quit !

(ii)

Success is failure turned inside out,
The silver tint of the clouds of doubt
And you never can tell how close you are
It may be near when it seems far,
So stick to the fight when you are hardest hit.
It's when things seem worse that you must not quit !

HOME MY FRIEND

My walls are yellow like, Sunrays in the morning
my roof is like maple leaves in aurum, My door is brown
like a chocolate boiling, my windows limping like lakes
in the mountain. I'm as old as your grandpa who's
collecting stamp's I'm safe as the money in sweis banks.
I'm happy as your best friends. I'm as happy as your best
friends. I'm as warm as flames in the fireplace. I don't
want to leave you. I like when you are in I hate when
you go out I love when we are near.

GLOBAL-WARMING

Global warming is a major atmospheric issue all
over the world our Earth's surface becoming hot day by
day by trapping the sun's heat and rise in the level of
atmospheric corbondioxide.

The bad effects of it increasing day by day and
causing major problems. To the living of human being.
It has become one of the subjects of big social issue
which need social awareness to a great level.

People should know its meaning, causes, effects
and solutions to solve it immediatly. People should
come forth together and try to solve it in order to save
life on earth.

“Nature”

The night is black and the forest has no end; a million people thread it in a million ways. We have trysts to keep in the darkness. But, where or with whom-of that we are unaware. But we have this faith-that a lifetime’s bliss will appear any minute, with a smile upon its lips. Scents, touches, Sounds Snatches of songs brush up, pass us, give us delightful shocks. This life is blest ! from your smile such smiles have I traversed ! “All those others who came close and moved off in the darkness I don’t know if they exist or not.

Women Empowerment

Women Empowerment refers to social, Economic & Educational power of women. It refers to an environment where there is no gender bias & have equal rights in community, society & work places. Women population is around 50% of the total population of world. They have every right to be treated equally with men in every spheres of life & society. The empowerment of women would result in overall development of society both at micro & macro level. Active participation of women in economic activities and decisions, would be contributed towards overall economic development & have high level of domestic responsibilities.
