CRPF to equip its officers with managerial competence
MoU signed with IIM, Rohtak

In a bid to make its trainee officers future-ready, CRPF today signed an MoU with the Indian Institute of Management, Rohtak for a certificate programme in Business Management. The MoU was signed between Sh. Rajeev Rai Bhatnagar, D.G, CRPF and Prof. Dheeraj Sharma, Director, IIM, Rohtak at the CRPF hqrs in New Delhi. Senior officers of the Force were present on this occasion.

Speaking at the event, Sh Bhatnagar said that a closed organization can never prosper in the modern era which is witnessing rapid changes in different sectors. CRPF being a Force which faces the toughest of challenges in maintaining the internal security of the country, needs to cope with the time by taking an outside view of things as well. He said that the MoU on the Certificate Programme in business management for the trainee officers will go a long way in equipping them with a whole gamut of managerial skills ranging from resource management, stress management, financial management to logistics and inventory management. Terming this novel endeavour a 'great start', Sh Bhatnagar expressed the hope that such managerial value-addition will help upkeep the motivational level of the officers in adverse circumstances. Sh. Sharma too dwelt on the need for managerial skill up-gradation of the officers of this massive and mobile Force. He said that the course has been designed keeping in mind the managerial need of the officers that includes emotional intelligence, coping mechanism et al.

The certificate programme in management designed by the IIM, Rohtak will be delivered to the trainee officers of the CRPF through a variety of well-conceptualised pedagogy package spanning over a period of six months. These training modules will focus on precepts and practices of management in core functional areas like operations, administration, and welfare as well as human and organizational behavior. The course is set to be conducted for the Directly Recruited Gazetted Officers (DAGOs) of CRPF presently undergoing basic training in the CRPF Academy at Kadarapur, Gurugram.
